e-STUDIO2323AM

e-STUDIO2823AM

Product brochure

- > The e-STUDIO2323AM/2823AM cover the basic needs of modern businesses, offering a speed of up to 23/28 pages per minute.
- > Based on sophisticated technology, they easily integrate into networks and are intuitive to use.
- > Designed to meet the highest environmental standards, both models help save valuable resources.

**TOGETHER
INFORMATION**

Key features

- Compact A3 systems with print, colour scan and copy function to cover the most relevant requirements.
- Excellent image quality for documents which impress.
- Energy save modes for optimised usage and intelligent resource management.

Efficient, productive and highly reliable top-performers.

Benefits

With an output speed of 23 and 28 pages per minute the e-STUDIO2323AM/2823AM can easily keep up with the needs of today's businesses. Their outstanding image quality will give your documents a professional look and leave a lasting impression with your business partners.

Uncompromised ease-of-use

For you to benefit from the sophisticated technology that the systems are based on, we have ensured that they are easy and intuitive to use.

- Intuitive use of all functions
 - Complex as the functionality is, it is nevertheless easy to use. No matter whether you want to print, scan or copy – via the user interface all features are just a click away.
- Mobile Print
 - Convenient print from mobile devices via USB cable.
 - Print from or scan to mobile devices with the e-BRIDGE Print & Capture Entry app.
